

## Course Description

In this step-by-step course, you'll master the Python range() function, learn how its implementation differs in Python 3 vs 2, and see how you can use it to write faster and more Pythonic code.

## ✓ Certificate of Completion

This person's account is verified and was created on Nov. 22, 2020. Real Python certifies their completion of the *The Python range() Function* course on Feb. 1, 2021.

## About Real Python

[Real Python](https://realpython.com/) is an online learning platform and expert community for Python software developers. It offers interactive online classes and in-depth tutorials created by a team of subject matter experts.
