Certificate of Achievement

This is to certify that

Angelika Kiepas

has successfully completed

Testing Your Code With pytest

a course of study offered by Real Python (realpython.com), an online learning platform and expert community for Python software developers.

Completion Date: May 6, 2022
Verification ID: 6a1a8fdc-8ebb-48b6-a548-ce9d189e8434

Real Python

Course Description

In this video course, you'll learn how to take your testing to the next level with pytest. You'll cover intermediate and advanced pytest features such as fixtures, marks, parameters, and plugins. With pytest, you can make your test suites fast, effective, and less painful to maintain.

Certificate of Completion

This person's account is verified and was created on Nov. 22, 2020. Real Python certifies their completion of the *Testing Your Code With pytest* course on May 6, 2022.

About Real Python

Real Python is an online learning platform and expert community for Python software developers. It offers interactive online classes and in-depth tutorials created by a team of subject matter experts.
