Certificate of Achievement

This is to certify that

Angelika Kiepas **LIST**

has successfully completed

Working With Linked Lists in Python

a course of study offered by Real Python (realpython.com), an online learning platform and expert community for Python software developers.

Completion Date: Jan. 27, 2021

Verification ID: 7b750344-c68c-457a-87da-7eb318f49037

Real Python

Course Description

In this course, you'll learn what linked lists are and when to use them, such as when you want to implement queues, stacks, or graphs. You'll also learn how to use collections.deque to improve the performance of your linked lists and how to implement linked lists in your own projects.

✓ Certificate of Completion

This person's account is verified and was created on Nov. 22, 2020. Real Python certifies their completion of the *Working With Linked Lists in Python* course on Jan. 27, 2021.

About Real Python

Real Python is an online learning platform and expert community for Python software developers. It offers interactive online classes and in-depth tutorials created by a team of subject matter experts.
